- ▶ Integrity And Compliance Hotline

The offence of manipulations of sports competitions is a serious issue. The purpose of FIVB E-learning course on Prevention of Competition Manipulation is to help you understanding this phenomenon: how badly it can affect volleyball and your life, how important to step up against it collectively and understanding the consequences of committing sport manipulation.

You will be introduced to integrity- related topics in the spirit of the FIVB's mission to keep volleyball clean: you will meet topics such as sport manipulation, betting, reporting, inside information and disciplinary.
